Using two proven pain relief solutions together

Instructional videos available at: www.therabandktape.com/videos

Bright idea

How To:

1. Prepare skin for taping
2. Apply TheraBand® Kinesiology Tape
3. Spray Biofreeze® Professional on the tape & around the taped area

Tips:

- Always apply tape 1st and spray 2nd
- Reapply Biofreeze Professional up to 4 times a day
- TheraBand Kinesiology Tape lasts up to 5 days
